Rajesh Chetan Insurance Brokers Private Limited

Types of Insurance We Provide

Specialized insurance solutions offered by us as an insurance intermediary for ROAD and infrastructure projects.

1. Contractor All Risk Insurance

Comprehensive protection for civil and infrastructure projects against accidental physical loss or damage during execution.

2. Erection All Risk Insurance

Coverage for installation and erection projects, including associated machinery, equipment, and testing risks.

3. Surety Bond Insurance

Financial guarantee support that helps fulfill contractual and statutory obligations with confidence.

4. Bid Bond Insurance

Assurance to project owners that the bidder will honor the tender terms and proceed with the contract if awarded.

5. Contractor Plant and Machinery

Protection for project equipment and machinery against sudden and unforeseen loss or damage.

6. Workmen Compensation Insurance

Coverage for employer liability arising from employee injury, disability, or death during the course of work.

Why These Covers Matter

- Project risk protection
- Contractual compliance support
- Operational continuity
